

# UCC license key contact information

**IMPORTANT:** If you have ordered a scanning upgrade for this controller you will need to contact Renishaw for a licence key. The key is unique to each controller so you will need to provide either the serial number or controller ID number (electronic ID number), together with your order details. The following is a list of Renishaw offices that can provide upgrade licence keys. These can be given by telephone, fax or email.

If you experience any problems please contact [cmm.support@renishaw.com](mailto:cmm.support@renishaw.com).
